Support the  
**Eastland  
Rescue Helicopter**  
Endowment Fund

## The **Eastland Rescue Helicopter**

currently flies about 145 missions a year and covers the area between Mahia and Waikaremoana in the South to the East Cape and around to Te Kaha.

**The range of services provided includes primary response for accidents and critically ill patients, search and rescue (including off-shore missions), and inter-hospital transfer throughout New Zealand.**

**The Eastland Rescue Helicopter also supports police operations, the fire service and civil defence.**

Established in 1988 and governed by a trust board, the **Eastland Rescue Helicopter** is run by a not-for-profit, charitable trust whose primary aim is to deliver lifesaving critical care to patients on our remote East Coast. They work hard to raise the money needed to keep the essential rescue service on 24/7 standby. The organisation is volunteer led with one full time pilot.

Any donation that you make will be invested and grown each year in line with inflation. The surplus investment income will be granted back to the **Eastland Rescue Helicopter** every year, meaning your donation will keep supporting them forever.
